

## Communication and Language

*In class we are :*

Working on our individual communication methods

*At home please:*

Check individual IEP communication targets

## Physical Development

*In class we are :*

Exploring team games and following individual physiotherapy programmes

*At home please:*

Complete physio programmes and encourage games with other people

## PSED

*In class we are :*

Practicing our independent living skills

*At home please:*

Encourage to be as independent as possible with tasks such as eating, washing and dressing

## Literacy

*In class we are :*

Focussing on the story Superworm!

*At home please:*

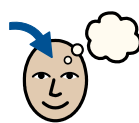

Have a go at building your own bug hotel! Please let us know if you would like an Aided Language Display to use whilst making this

In

the

Garden

## Topic

*In class we are :*

Planting seeds, using flowers to create pictures and having a messy play frog pond

*At home please:*

Plant some flower seeds into pots and encourage to look after the plants such as watering them. We would love to see photos of the plants too!

## Maths

*In class we are :*

Exploring number, quantities and shapes

*At home please:*

Use number names and shape names in everyday activities such as counting out cutlery when setting the table, pointing out different shapes in the environment and singing classic number songs such as 5 little ducks
