

Communication and Language

In class: We will be reading the story **In every House, On Every Street** and encouraging pupil to explore and practice & using various AAC to communicate (functional & play)

Phonics sound "t & c" and mark making

At home please: Practice the sound "t" and mark make in different textures. Read the story again.

PSHE

In class: We will be developing our life skills through brushing our teeth/hair and making healthy choices.

At home please: Encourage your child to use their senses where possible and to taste something new and encourage them to brush their hair and teeth independently.

Physical Development

In class: During **RE** we will be looking at Religious buildings and Christmas through sensory stories.

During **science** we will be looking at things that use electricity at home and the similarity and differences in places.

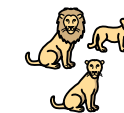

In **maths** we are looking at number rhymes, Position and Direction.

We will encourage pupil to use all their senses where possible. We will also give opportunity for number, positional language and encourage friendly sabotage in familiar routines to allow pupil opportunities to communicate something is wrong/different.

At home please: Look at household items and count them while you sing and say if they are up/down, inside/ outside.

In class: fine motor skill, swimming and following physio plan

At home please: Follow their physio plan and encourage your child to explore variety movement crawling, sliding, rolling, rocking, rowing
