

Communication & Literacy

In school we are:

- Listening to a sensory story Maisy Goes to a Show by Lucy Cousins.
- Developing our communication skills through intensive interaction.

At home you could:

- Borrow the book, books by the same author or books about the circus & theatre from your local library.
- Spend some uninterrupted time interacting with your child 1 to 1. If you'd like some more information on what intensive interaction is, please let us know & we can provide guidance.

Personal, Social, and Emotional Development (PSED)

In school we are:

- Wash up brush up – Learning to wash our faces, brush our teeth and brush our hair.
- Reflection & mindfulness

At home you could:

- Support your child to participate in their self-care and personal hygiene routines.
- Listen to some mindfulness <https://www.youtube.com/watch?v=IIBI-BT9c4&t=30s>
- Check the class story on dojo and talk with your child about their day/ week

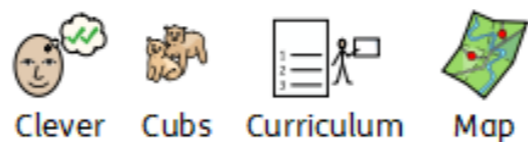

Physical Development

In school we are:

- Completing our individual physiotherapy programmes.
- Playing circus games.

At home you could:

- Complete individual physiotherapy programmes.
- Play ball games.

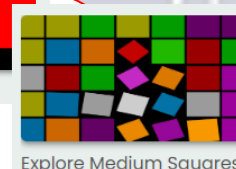

Cognition & Maths

In school we are:

- Exploring 2D shapes and direction on the computer.
- Developing our tracking skills on our eye gaze computer.

At home you could:

- Sing counting songs during bath times.
- Show your child how to count various objects and toys.
- Point out shapes that you encounter in your child's everyday environment and nature.

Understanding the World

In school we are:

- Using our senses to explore the circus.
- Celebrating Chinese New Year on Wednesday 29th January.

At home you could:

- Encourage your child to use their senses to explore various things at home – you could involve them with cooking and have them smell the ingredients.
- Watch circus videos on YouTube.

Expressive Arts & Design

In school we are:

- Using pendulums to paint interesting patterns.
- Using our hands and feet to paint circus animals.
- Playing drums and singing songs all about the circus.
- Visiting the creative space.

At home you could:

- Paint your own circus animals using your hands and feet.
- Use boxes, pots and pans as drums and drum along to your favourite music.
