

Communication and Literacy

In class we are :

Using the book Funnybones to explore sensory storytelling, anticipation and play

At home please:

Read books focused on our bodies, stories and videos focused on dressing eating and routines

Physical Development

In class we are :

Playing turn taking games with balls and parachutes

At home please:

Play passing, throwing and bouncing

Cool

Cats:

The Body

PSED

In class we are :

Learning about our school rules, practicing kindness and sharing our skills

At home please:

Take time to practice those things your children are good at

Creative Arts

In class we are :

Creating collages and paintings based on the human body

At home please:

Paint together, trace around hands and feet, paint on noses and cheeks and look in mirrors

Understanding the World

In class we are :

Learning about body parts and our senses

At home please:

Explore different parts of the body, for example massaging hands and naming fingers and hands, talk about the different parts of the body as pupils get dressed, socks on feet etc.

Maths

In class we are :

Using our fingers to count, checking with mirrors how many noses, eyes, ears we have

At home please:

Count and share objects

Explore position and permanence by hiding objects under material, can we find it? what was hiding?
