

Communication and Literacy

In class we are :

Using a sensory story called Betsy Buglove Saves the Bees, we are exploring insects and plants

At home please:

Read books and watch programs focused on mini bugs and green spaces in the city, visit parks and use gardens!

Physical Development

In class we are :

Practicing ball skills in football and dodgeball

At home please:

Practice passing and throwing balls and aiming at goals/objects

Cool

Cats:

allotment

PSED

In class we are :

Learning about our bodies as we grow and change

At home please:

Look at photos throughout the years, look at clothes they wore when little

Creative Arts

In class we are :

Creating paintings and prints based on flowers.

At home please:

Explore painting and mark making, maybe printing with objects collected outside.

Understanding the World

In class we are :

Learning about the parts of plants, roots, stems, leaves and flowers.

At home please:

Go for walks collecting natural materials and plants if appropriate.

Maths

In class we are :

Focusing on matching things that are the same

Exploring weight

At home please:

Match and make groups of identical objects

Explore materials that have a significant weight difference.
