

## Communication and Language

**In class:** We will be reading a sensory story called **Betsy Buglove saves the Bees**

Pupil will explore Ice World and be encouraged to respond to what they hear using various AAC to communicate, action and vocalisation.

Phonics sound "b" and mark making

**At home please:** Practice the sound "b" and mark make in different textures.

## Physical Development

**In class:** During PE we will experience cause and effect by responding to music or sensory props through supported movement.

**Fine motor skill:** We will be exploring different textures and methods during Creative Art which support our fine motor skills. We will also be using tools and fingers in Write Dance lessons.

**At home please:** Follow physio plan and encourage your child to explore variety movement.

## PSHE

**In class:** Pupils will take part in simple sensory activities that help them explore lifecycle and the differences between babies, children, teenagers, and adults.

**At home please:** You can sit together and explore different items used by yourself child and your self.

learning:

on

the

land

## Maths

**In class we are:**

Developing our awareness of numbers and counting skills through number rhymes and songs, with a focus on numbers 1-5.

We are also learning about shape and colour using fruit and vegetables.

**At home please:** Count everyday things and explore fruit and vegetables.

## Understanding the world

**In class we are:**

Learning about 'on the land' through a range of sensory experiences. We are focusing on plants and animals.

**At home please:** explore plants and the outdoors with your child.

## Art and Music

**In class we are:**

During art we will be exploring paint and collage using natural materials and colours.. In music we will be listening to songs, using our voices and also playing instruments.

We will visit creative space which is topic themed for the allotment every Thursday.

**At home please:** explore earthy colours and natural objects.
