

Communication and Literacy

In class we are :

Using a sensory story called You Can't take an Elephant on the Buss, we are exploring modes of transport

At home please:

Read books and watch programs focused on transport, link water play to boats and play with cars and trains.

Physical Development

In class we are :

Focusing on our physio programs and outside play activities.

At home please:

Practice pushing and pulling exercises

Cool

Cats:

Transport

PSED

In class we are :

Learning about medicine, how it can help and how to keep safe.

At home please:

Re-affirm how important it is to let an adult deal with medications.

Maths

In class we are :

Using instruments and song to learn numbers.

Learning about capacity, full and empty.

At home please:

Count groups of objects.

Explore filling and emptying containers, jugs and cups.

Creative Arts

In class we are :

Creating a moving 3D cardboard car

At home please:

Explore painting and mark making, rolling over paint with toy cars and trains.

Understanding the World

In class we are :

Learning about materials and their properties, focusing on metals, plastic, rubber.

At home please:

Explore materials and their properties, for example, does it float or sink? does it absorb water?
