

## Communication and Language

**In class:** We will be reading a sensory story called **You can't take an elephant on the bus**

Pupil will be encouraged to respond to what they hear/ explore using various AAC to communicate, action and vocalisation.

Phonics sound "t" and mark making

**At home please:** Practice the sound "t" and mark make in different textures.

## Physical Development

**In class:** During PE we will experience cause and effect by responding to music or sensory props through supported movement.

**Fine motor skill:** We will be exploring different textures and methods during Creative Art which support our fine motor skills. We will also be using tools and fingers in Write Dance lessons.

**At home please:** Follow physio plan and encourage your child to explore variety movement.

## PSHE

**In class:** Pupils will take part in simple sensory activities that help them explore Medicines and Keeping safe.

**At home please:** You can sit together and explore different medical items used such as empty, clean medicine bottles, boxes and spoons for hands-on exploration.. self.

learning:

transport

## Maths

**In class we are:**

Developing our awareness of numbers and counting skills through number rhymes and songs, with a focus on numbers 1-5.

We are also learning about full and empty. We will be using containers and water for this.

**At home please:** Count everyday things and talk about things that are empty and full.

## Understanding the world

**In class we are:**

materials that are linked to vehicles.

**At home please:** explore various materials that can be found in cars, buses, taxis etc.

## Art and Music

**In class we are:**

During art we will be using vehicles to make marks in paint and other mediums. In music we will be listening to songs, using our voices and also playing instruments.

We will visit creative space which is topic themed for transport every Thursday.

**At home please:** explore transport to make art. this could be rolling cars through paint.
