

Communication and Language

In class we are : copying sounds and using our communication aids

At home please: sing songs and rhymes and copy my sounds and actions (intensive interaction)

Physical Development

In class we are : using our feet to explore and going through our tickle tunnel.

At home please: follow my physio programme and encourage me to move

PSED

In class we are : becoming more independent and learning about cause and effect

At home please: let me do things by myself such as taking my hat off or shaking my arm out of my coat.

Literacy

In class we are : listening to a story called 'The Train Ride' by June Crebbin

At home please: read me stories and also watch 'The Train Ride' on a screen. .

Understanding the World

In class we are : materials - metal, rubber, plastic, fabric

At home take me out in the car, on the bus, or on the train and share adventures with my class. Help me to explore different materials.

Maths

In class we are : singing number rhymes and exploring full and empty.

At home let me play in water or sand and let me explore full and empty.
