

Communication and Language

In class we are : copying sounds and using our communication aids

At home please: sing songs and rhymes and copy my sounds and actions (intensive interaction)

Physical Development

In class we are : learning to push balls with our hands and develop our fine motor skills.

At home please: follow my physio programme

PSED

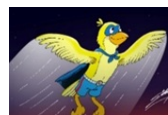

In class we are : becoming more independent and learning to express our feelings.

At home please: let me do things by myself such as taking my hat off or shaking my arm out of my coat.

Literacy

In class we are : listening to the story - 'Walking Through the Jungle' by Julie Lacome

At home please: listen to stories about animals and sing songs encouraging copying.

: Rainforest

Understanding the World

In class we are : learning about rainforests - that they are hot and wet and there are lots of different animals that live ther.

At home please: show me animal toys and tell me what they are and if there is a special day in school, let me attend.

Maths

In class we are : singing number rhymes, turn taking and anticipating.

At home please: play 'ready, steady, go!' games with me and use numbers.
