

Communication and Literacy

In class we are :

Exploring books and using a sensory story called Monkey Puzzle. We are responding to sounds and mark making.

At home please:

Share story books or books about animals and encourage mark making.

Physical Development

In class we are :

Developing hand-eye coordination, ball play and outside play activities.

At home please:

Practise ball games and exercises

PSED

In class we are :

Learning familiar rules and routines that keep us safe.

At home please:

Explore feelings, emotions similarities and differences.

Talented

Turtles

Rainforest

Creative Arts

In class we are :

Exploring colours, patterns and textures.

At home please:

Explore painting, mark making and colours seen in the environment.

Understanding the World

In class we are :

Learning about safari animals through sensory play and recognising that animals live in different places and we need to care for living things.

At home please:

Explore animals, naming them, where they live and how we care for animals.

Maths

In class we are :

Listening to number rhymes and playing number games.

Noticing objects and investigating cause and effect.

At home please:

Count groups of objects.
Explore how they feel.
