## Communication and Literacy

*In class we are :*

Reading 'The way back home' by Oliver Jeffers. We are practicing our mark making through our space write dance. We are encouraging early communication through shared activities and intensive interaction.

*At home please:* Read books about space, or watch versions of our story read aloud on youtube.

## Physical Development

*In class we are :*

Developing throwing and catching skills, throwing and rolling balls towards a target.

Play rolling and throwing games with your child.

## PSED

*In class we are :* Learning about people who can help us, at school, at home and in the community. We will also be focussing on developing independence in dressing skills.

*At home please: Support your child to develop independence in dressing - eg fetching their clothes, undoing their zip etc.*

Jolly Jellyfish: Space

## Creative Arts

*In class we are :*

Exploring 3D shapes and junk modelling to make rockets and making alien collages.

In music we will explore electronic and metallic sounds

*At home - Listen to space themed music.*

## Understanding the World

*In class we are :*

Learning about space (sun, moon stars, day and night), through sensory exploration. We will also learn about some special events, including Diwali, Remembrance day, Hanukkah and Christmas

*At home please: Look up at the sky with your child, pointing out the moon and stars. Play with any light up toys, exploring light and dark*

## Maths

*In class we are: developing understanding of cause and effect through switch toys. We will be counting groups of objects and comparing them.*

*We will also be looking at space objects that are the same or different.*

*At home please: Play with toys that are the same/different eg two red balloons and 1 blue balloon.*
