Communication and Language

In class we are : copying sounds and using our communication aids

At home please: sing songs and rhymes and copy my sounds and actions (intensive interaction)

Physical Development

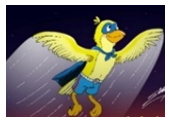

In class we are : learning to stretch, move independently and use our hands to explore

At home please: follow my physio programme

PSED

In class we are : learning about people who help us and developing our independence skills

At home please: let me do things by myself such as taking my hat off or shaking my arm out of my coat.

Super Swifts  Explorer  Home  learning :  Space

Literacy

In class we are : listening to the story - 'The Way Back Home' by Oliver Jeffers

At home please: listen to stories and songs about space and go out at night and look at the moon and stars.

Understanding the World

In class we are : learning about space focussing on the moon, sun and stars.

At home please: take me outside when it is sunny and when it is dark and I can see the moon and stars.

Maths

In class we are : singing number rhymes and learning about cause and effect using switch toys.

At home please: let me hear numbers and play with toys that do something if I press them
